Subject: Uptown Newport

Rosalinh,

I am in receipt of the Initial Study for Uptown Newport and provide the following request for appropriate park dedication fees to be determined due to less than sufficient open space as required by the Newport Beach General Plan Recreation Element at 5 acres per 1,000 persons. These in-lieu fees shall take into consideration the 2.05 acres of dedicated park space and shall be included in the Development Agreement. Thank you kindly.

Laura Detweiler | Director
Recreation and Senior Services Department
